NOVEMBER  
2020  
NEWSLETTER

## November Message From Move Yourself Dance

During November we are reminded to Remember our Veterans and current serving military. We are grateful to all of our Canadian Forces, Veterans and those currently serving our country for all they sacrifice everyday to keep us safe. We are proud to be living in such a fantastic country and grateful to be enjoying all the freedoms we do.

Over the last few weeks our instructors and dancers have settled into their dance schedules at both studios. Classes have been finalized and we are all enjoying everyone's enthusiasm and energy this year even with all the new protocols and procedures. We also want to thank our dance families for the beautiful emails, texts, kind words, and even hugs since our recent studio loss of the amazing Mr. Nico. The support we have received is amazing and we are so grateful for your kindness as we grieve.

Our November Newsletter contains a lot of valuable information. Please read through the entire newsletter to make sure you don't miss anything.

## Festival Information & Costume Prices Update

We will be sending out an update on Festivals 2021 by the end of the month as well as we will send the costume updates for 2021 for your information. If you have any questions about either once you receive this information please don't hesitate to contact Christine at [office@moveyourselfdance.com](mailto:office@moveyourselfdance.com).

If your class is purchasing or renting a costume this year there will be a costume fee ESTIMATE sent to you. We are trying very hard not to have extra costume fees this year for families; however, students that are new to dance will likely have costume fees and some classes may have minimal costume fees.

Festival Fee Cheques will be deposited on or before December 15, 2020. Costume Fees will not be due until the new year; however, once the fees are prepared the costs will be added to jack rabbit accounts and statements will be sent out. These fees can be paid at anytime prior to the due date.

Unfortunately due to last year ending so abruptly, we are trying to accommodate as many families as possible, to keep costume and festival fees down. There are no credits from last year for costumes, but we are hopeful that families will possibly be able to share costumes from last year, knowing that your help with one family may pay it forward for your own family.
