

Move Yourself Dance Hair & Makeup Guideline Images

Below are the Move Yourself Dance guidelines for the hair and make up. These are **ONLY** guidelines for the hair styles.

Here is a couple links to YouTube videos as well for a stage make up tutorial for dancers —>

Video #1 is a great guideline for full make up for dancers; however, the eyeshadow should be a bit darker. Video #2 is just the eyeshadow portion of the video. Eyeshadow does need to be darker than street makeup to ensure dancers eye pop on stage in the bright stage lights.
